Testimonials; (see more at telxcompany.com)

"For over 14 years, Rick and the TelX team have provided my organization with excellent customer service and support. Each job completed by TelX was done in a timely and professional manner. And whenever we had an issue that needed to be addressed as soon as possible, Rick would move mountains to accommodate. That's first class customer service!"

Joseph Ventre – Chief Information Officer, Monmouth Ocean Educational Services Commission

"TELX has been our vendor for the past 30 years. We continually rely on their outstanding service and expertise to help us with our voice and data requirements"

Ed Wood - CARUSO Excavating
